E. C. WALTON.

W. P. WALTON.

Is a Candidate for Railroad Commissioner for the 24 District, subject to the will of the democracy.

THE way Gov. Beckham warmed the jacket of Indiana's perfidious governor in response to his ungentlemanly, false and cowardly attack on Kentucky in general and Judge Cantrill in particular, sent with his refusal to honor a requisition for Taylor and Foley, is a caution and must make him squirm. If he has any feelings or conscience left, Gov. Beckham charges him with violating his oath, of falsifying the record in the Powers case and accuses him of being a party after the fact to the most infamous crime in the history of Kentucky, each of which charges is sufficient to make a man of courage demand satisfaction and reparation for. Durbin says he has been appealed to by democratic editors and others not to give up the almost self-confessed assassin, but that is evidently a lie or as Gov. Beckham intimates they fear a further investigation might implicate them in the crime. Gov. Beckham demonstrates in his letter that he is a pretty good hand with a pen and all good Kentuckians will thank him for the castigation he gave the creature who is hardly worthy of that much consideration. Durbin says he will not answer the letter. Of course he will not; there's nothing for him to say. In short Gov. Beckham's letter is simply unanswerable.

THE appointment of Mr. J. A. Craft as Collector in the Louisville district to succeed the redoubtable Sapp, suits us all right if the republicans can stand it. A few years ago Mr. Craft was the "botter" democrat in our knowledge; in fact the sight of a republican almost made him sick. But things have changed, Mr. Craft has changed and now he is to receive one of the best plums the republican president has in his gift. The appointment was secured by Congressman Borelog, who has again proven that he is the biggest republican in the State. It was indeed a victory for Mr. Borelog, from the eleventh Congressional district, to name a Collector in the fifth, and especially so when there was so much opposition to Mr. Craft because of his short sojourn in republican ranks. The mountain Congressman is somewhat of a horse in politics and generally gets what he goes after.

DELEGATES to the Kentucky Federation of Labor convention at Lexington are in a stew of indignation over Col. Breckinridge's address of welcome. He stated he favored combinations of labor and combinations of capital, that both have a right to combine, but he condemned recent strikes, and took occasion to observe that he did not believe a national federation of labor would ever be possible because of varied and conflicting business interests of various sections. A number of delegates left the ball and made all kinds of threats.

THE Glasgow Times makes this pertinent suggestion: "As Roosevelt has begun the assimilation of the races, how would it do to have a new deal all the way around? Nominate Roosevelt and Washington on the next National ticket and let the National colors be black and white." The republicans in this neck of the woods would waltz right up and vote for them or anybody or thing else that should happen to get under the log cabin.

NEWS comes from Williamsburg that J. W. B. Bennett and Sheriff J. L. Sutter have both resigned since the election. There must be a mistake somewhere. Whitley's county officers are invariably republican and whoever heard of a republican giving up an office?

THE Rathbun mystery is still the talk in Louisville and the little cities that surround her. As a bungling "bad man" Rathbun is entitled to the blue tie, but a bempen one is what he needs and what he is likely to get.

WHILE Capt. S. F. Rock, of the Richmond Register, is doing some civil engineering for the L. & A., Mr. Thomas H. Pickels, who is spoken of as a most competent newspaper man, is holding down that paper.

"I AM responsible for Craft's appointment," says sleepy-headed Deboc. Those who know though, say Hon. Vincent Borelog is the man who did the work.

The Waltons have seen the political salvation of their home counties of Lincoln and Mercer—and not by standing still either—but going forward and "fighting the devil with fire."—Somerset Journal.

When asked if he would answer Gov. Beckham's letter, Durbin, Indiana's perjured Governor, replied: "No, I shall not. The incident, so far as I am concerned, is closed forever. As far as the letter itself is concerned, the more people who read it the better satisfied I will be."

Chief Justice Paynter, of the court of appeals, has set aside a mandamus of Circuit Judge Parker, of Lexington, compelling the election commissioners to count 300 ballots stamped under the party devices of the republicans and Claude Chinn. The office of magistrate alone was affected.

A Danville special says: It now develops that in the recent election only one vote was cast in the 24 ward in this city for councilmen. This is perhaps the only instance on record where, in a popular election, two candidates received but one vote each and yet were elected. Hubert McGowan is credited with having cast the vote, and, all by himself, electing two members of the board of council.

INSTANTLY KILLED.—A four-year-old son of Brag McCoun met with a fearful death at Shakertown Wednesday. The little fellow went after wood in company with his brother and a colored boy, driving an ox-cart. Phipps & Atchison's Ladies' Hats! \$3.95

The reason we can do this is that we secured about fifty of their sample hats at a very low price--about half price. The WHOLESALE prices of these were \$6 to \$8.50, and we offer choice for \$3.95. It is an opportunity to secure a very exclusive and up-to-date walking hat for less than price of ordinary hats. We will also offer all our other hats at very low prices to close out our stock before opening Christmas goods.

TAILOR SUITS,

the kind that hold their shape and give satisfaction. Prices from \$15 to \$35, and everyone is good value and fits well and has style. All needed alterations are made by a first-class tailor at our expense.

TAILOR SUITS---CHEAP.

We have culled from our line about 40 suits, which we offer at \$5.75, \$8.75 and \$9.98, which have been \$12.50 to \$25.00 each. While these are not the very latest, they are all good staple styles which will not look "out." While we have all sizes, the most are in 36 and 38 measure. The skirts alone are worth more than the price of the suit.

LONG CLOAKS.

27-inch Coats from \$6.00 up, in Black, Tan, Blue, Red and Brown. In the 42-inch Coats we are showing as many as 20 distinct styles in Black and Light Tan. Long Tan Coats are very scarce, and very few stores will show you more than two or three. Full-length garments in Black, Tan and Oxfords from \$15 up.

FURS.

The cooler weather has made the "fur fly." Our line of short and long scarfs is large, and we think we could please you. We know we could save you some money. Our prices range from \$1.00 for a good int. Seal Scarf up to \$25.00 for the finest Sable and Marten. Long real Sable Fox Boas for \$7.50.

CORDUROY.

The demands for this goods is on the increase, and we are prepared for it. We offer a good grade in all colors from white to black for 50c. "Velvet Cords," usually sold at \$1.00 a yard, we sell for 75c. We alone in Danville sell the genuine Velutina Velvets and Cords. Name is stamped on the back of every yard. If you want the best, look for this stamp.

MIDDLEBURG.

William McWhorter recently caught in the waters of Kaoh Lick creek, near Yosemite, two green perch, weighing 5 1/2 pounds each, which is the record for some time past.

The residence of William Morris, at Liberty, was destroyed by fire a few nights ago, entailing a loss of about \$1,200. The entire household effects were lost. Insurance \$300.

John H. McWhorter claims the prize cabbage of the season, having raised a dozen or more little smaller than a wash tub. He raised 15 which weighed 300 pounds or the weight of two average men.

The ladies' prayer meeting met at the regular hour at the Baptist church Sunday evening and the Epworth League at the M. E. church. The E. L. is practicing almost nightly for their entertainment, which takes place Thanksgiving.

The new Baptist and Methodist churches, both brick structures and each costing about \$2,500, which are in course of erection at Liberty, are nearing completion and will soon be ready for dedication. Arrangements have been made for all the furniture of the Baptist church, except the organ and the pulpit chairs.

Rev. J. B. Ferrell preached at the Baptist church Saturday and Sunday and at Liberty Sunday night. Rev. Logan Godhey preached at Liberty Sunday. Rev. Fred Grider, of College Hill, and formerly representative from Casey and Russell counties, and pastor at this place, preached at the Methodist church Sunday night.

Mr. Mimm Wilson has returned from Russell county, his sister, Miss Cloja, accompanying him. Colonel W. Latham, of Stanford, was visiting relatives near here last week. Misses Viola Ferrell and Bettie and Mamie Tifford, of Liberty, visited here Sunday. Q. K. Jones and W. G. Short were in Lancaster Monday on business. Ivy Hopper, of Russell county, visited relatives in the vicinity Saturday and Sunday. Mrs. Florence Williams, of Mt. Salem, visited her parents, Mr. and Mrs. Dr. Wesley, Sunday. Theo. Wesley and wife, of Mt. Vernon, are visiting relatives here. Dudley Wesley and the writer were in Hustonville Tuesday. C. C.

A New York dispatch says: In a great room overlooking Fifty-sixth Street an army of women are working.

In their hands are great heaps of soft, white lace, and of lanel, and cashmere and down. And all this is for the wardrobe of a little Prince who will presently come to rule at 721 Fifth Avenue, heir to \$50,000,000 in his own right.

For the coming of the little Prince to the home of Alfred Gwynne Vanderbilt are being made preparations such as have honored no other American child. All that wealth and taste and skill can do to make the wardrobe and belongings perfect is being done. And the preparations have kept a dozen women busy for months.

Articles in wardrobe of Vanderbilt baby:

Dresses of French nainsook, trimmed with Valenciennes.

Cloaks of Sicilian silk.

Hand-embroidered dresses, with real lace insertion (imported).

Hand-made christening dress, skirt solidly hand-embroidered.

Christening cloak of Persian cashmere, lined with white silk and edged with down.

Skirts of linen lawn, feather-stitched, and with hand hemstitching in hem and seams, and in cluster tuckings.

Nightgowns of hemstitched lawn with yoke of real lace.

Shawls of Indian lanel, embroidered with white leaves.

Skirts of fine lanel, scalloped and embroidered in vines in white silk.

Sacques of pink and white crocheted silk.

Bibs of real lace insertion, hand-made embroidery and Valenciennes edging.

Hoods of white Sicilian silk, lined with white quilted silk and edged with ruffle of real lace.

Blankets of white silk. Pillows of Portuguese thistle-down, in white linen slips, trimmed with lace ruffles.

From An Old Kentuckian.

SENECA, S. D., Nov. 10.—I will give you a small history of this far off and lonesome country to an old Kentucky man. I am proud to know that all the Kentucky democrats are elected. I speak regarding to old Lincoln. We have had a nice fall so far. Some people are still cutting hay. Water is scarce in places, although we have 20 artesian wells in this county, eight more going down. Artesian wells are the talk here. Some of them 1,500 to 2,000 feet deep. Stock is in fine condition. Good fat steers are high. All the rest are low. We are shipping by the wholesale. Good horses are high and scarce; hogs high; sheep low and plenty of them.

Enclosed \$1 for the best paper in the country. Let it come on as long as I live.

Yours,

A. B. McKINNEY.

A LIBERAL OFFER.

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to anyone wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This a new remedy and a good one. Craig & Hocker, druggists.

KINGSVILLE.

Mr. Cicero Good, of Waynesburg, seems to be doing well here, at least he is proving what a good photographer he is.

Rev. Dr. Allen filed his appointment at the Christian church Sunday morning and evening. Sunday school is now held in the afternoon.

Rev. Mr. Berry, of Henderson, has agreed to preach for the Christian church the coming year one Sunday of each month, which arrangement will not interfere with Dr. Allen's appointment for the second Sunday.

Mrs. Dr. B. G. Allen, of Somerset, is the guest of her mother, Mrs. B. C. Pennybaker. Miss Elizabeth McFarland is the guest of her cousin, Mrs. D. P. Dineen, at Somerset. Mrs. Will Pears and two handsome little sons have returned to their home in Detroit after an extended visit to relatives here. Master Jesse McCarty is quite sick.

Although the democrats here are delighted, of course, over the magnificent victory, they are quite undemonstrative—pleasant toward all—as the they can afford to be in the knowledge of their triumph of right while the republicans can't, poor things! There was no celebration, such as usually follows the election, doubtless owing to the overwhelming defeat of the g. o. p.

We failed to mention at the time the celebrating of the late weddings which took place in our town. The charavari of Dr. Allen and bride and that of Mr. Sebastian Chevolette and bride were both events worthy of mention. The did was terrific while it lasted, but matters were soon satisfactorily adjusted and all was again peaceful. The beautiful (?) French custom prevails here extensively and should always be taken into consideration when one is contemplating matrimony.

Our clever meat-man, Mr. Meredith Francis, suffered another loss Monday night by dogs depredating on the beef which he had ready for market in the basement of Assessor C. G. Baker's storeroom. This is the second loss Mr. Francis has sustained in like manner and it is really too bad. We should think he'd become a democrat at once and get out of the trouble. He takes a philosophical view however and makes no effort to punish either the dogs or their owners. He is generous withal, as he next day posted the following: "Turn your dogs loose to night, there's plenty of beef left."

There is probably no disease more distressing and annoying than piles. TANNER'S BUCKEYE PILE OINTMENT is daily curing cases of years' standing itching and bleeding piles. The cure begins on the first application, a little perseverance makes the cure complete. Price, 50c in bottles. Tubes, 75 cents. Penny's Drug Store.

Mrs. Georgia Hatley and Miss Lena Rennera, of Evansville, were murdered by unknown persons and their bodies were found in ditches near Evansville. Their deaths occurred under similar circumstances, both women having been out driving with strange men.

For all fresh cuts or wounds, either on the human subject or on animals, BALLARD'S SNOW LINIMENT is excellent; while for corn-bushes' sprained wrists, barbed-wire cuts and sores on working horses, it cannot be too highly commended. Price 25 and 50 cents. Penny's Drug Store.

Robbers secured \$300 from the Bank of Trenton, at Trenton, Todd county, but were unable to get into the inner safe. Two citizens were injured by an unexploded charge of nitro-glycerine while examining the safe.

Never try to coax a cold or cough, use the remedy that unfailingly conquers both. BALLARD'S HOREHOUND SYRUP is the great specific for all throat and lung troubles. Price 25 and 50 cents. Penny's Drug Store.

Thomas Sykes, Sam Davis and Wm Woodson were blown to pieces by the ignition of a keg of powder from a miners lamp, worn by one of the men, at Bluefield, W. Va.

WHITE'S CREAM VERMIFUGE removes the unhealthy tissue upon which worms thrive; it brings, and quickly, a healthy condition of body, where worms cannot exist. Price, 25c. Penny's Drug Store.

An Ohio woman walked all the way to Florida with "only a big dog and a revolver to protect her." Why didn't she carry a cannon and a brass band? asks the Glasgow Times.

HERNIE sweetens the breath, brightens the eyes and clears the complexion without the slightest ill effects whatever, and insures the natural bloom of health. Price, 50 cents. Penny's Drug Store.

The largest gun in the world is being constructed in Watervliet arsenal for New York harbor.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be in and able. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly falling to cure with such ideas, pronounced it incurable. Science, however, has discovered that Catarrh is a constitutional disease, has therefore required constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co. Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists 75c.

Rubber With Life In It.

When you buy anything in rubber goods, it pays to get the kind with rubber in it. Many makers of rubber goods are plant to the demand for cheapness, and hence the market is flooded with inferior goods that hardly resemble rubber. Quality counts in this line, and we are careful to buy of makers who have a reputation for turning out high grade goods only. You can have confidence in the rubber goods we offer, no matter how low the price is.
